

WORKSHOP ON WORKFORCE NEEDS FOR LARGE-SCALE SOLAR PROJECTS

AGENDA

- I. Welcome and Introductions [12:30 pm]**
- II. Workforce Supply and Demand [12:45 pm]**
 - a. Industry Workforce Needs – Center for Energy Efficiency and Renewable Technologies
 - b. Workforce Preparation – California Workforce Investment Board
 - c. Workforce Training in Action – Kern Community College District
 - d. Workforce Training in Action – College of the Desert
- III. Technology Overview and Industry Perspectives [2:45 pm]**
 - a. Trough Technology – NextEra Energy Resources
 - b. Power Tower Technology – BrightSource Energy
 - c. Dish-Stirling Technology – Tessera Solar
 - d. Photovoltaic (PV) – FirstSolar
- IV. Public Comment [4:45 pm]**
